## REMARKS

Claims 1-39, 60-71, and 73-80 are now pending. Applicants have canceled claims 40-59, 72, and 81-84, and amended claims 60, 62-65, and 67-70. Pending claims 1-39 and 73-80 have been allowed. In the Advisory Action dated June 3, 2002, the Examiner indicated that the amendments to claims 60, 62-65, and 67-70 submitted in applicant's response of April 29, 2002, which was not entered, would overcome the Examiner's rejections of and objections to claims 60-71. Applicants are resubmitting those amendments.

Therefore, the Examiner has allowed each pending claim or indicated that each claim would be allowable as amended.

Applicants respectfully request reconsideration of this application and its early allowance.

Respectfully submitted,

Perkins Coie LLP
